Your software license code

The code below is your ZOC software license. To activate please start ZOC, select 'Enter license code' from the help menu and enter the code.

Product: ZOC
Support-Id: Z819212A
A: 12611/36155/19097
B: 04729/46865
Valid for: V8.xx/V7.xx

The code will be stored in your system registry. Please keep it in a safe place because you might need it again, e.g. if you reinstall your operating system.

When contacting us for support (e.g. via email), please provide your support id. We will handle support questions that have a support id with priority.
